Full Job Description

Customer Service is a vital part of Funeral Service. Our goal is to make a positive and lasting first impression, whether in person or over the phone, at the office or out in the field. Taking time with families who need an extra moment, handing out folders, guiding guests during services, opening doors, general politeness are just some examples of the levels of customer service we expect.

All roles and responsibilities of a funeral service professional including but not limited to: taking a first call, bringing deceased into our care, maintaining identity of those in our care, funeral arrangements, guiding families, viewings, preparation and care for deceased, ordering merchandise, coordinating with outside agencies/facilities/people, directing services, crematory operations, day to day cleaning and maintenance, answering phone calls, taking payments, reviewing and explaining paperwork, obtaining signatures and authorizations in accordance with relevant laws and regulations. Communication.

We have a rotating on-call schedule and expect calls to be answered and responded to promptly and dressed appropriately for the situation. Must be able to “read the room” and have great attention to detail.

Willingness to get Crematory Operator License is not required but definitely a plus. Training will be provided as necessary.

Benefits:

- Employee discount
- Paid time off
- Yearly License Renewal
- Health Insurance
- Training
- Great Removal Pay after hours - \$100.00+ per Removal
- Cell Phone Stipend
- Partial Tuition Reimbursement
bonus after 1 yr employment
- Relocation assistance
- Dry Cleaning for suits

Schedule:

- Monday to Friday, daily
- Alternating Weeks Night shifts on call
- Overtime as needed
- Weekends as needed

License/Certification:

- Driver's License
- Funeral Directors Licence (or Intern license)
 - Embalmers License (or intern License) a Plus
