

Columbia Funeral Home is a family-owned funeral home in the Columbia City area of Seattle. We are seeking a licensed funeral director and embalmer who enjoys working with a diverse clientele and helping people of all cultures with their funeral customs. Most of our families select full funeral services followed by cremation or burial, and two to three days of visitation are common.

Benefits include: medical, dental, and vision insurance; 401(k) retirement program with company match; vacation; sick leave; holidays; and performance based bonuses.

Exact pay depends on licenses and experience. We will consider people who currently hold a funeral director and embalmer's license (\$29 - \$33 per hour) and recent mortuary school graduates (\$22 - \$25 per hour).
